There are dozens of local businesses that support Adelphi students, faculty, staff and alumni year-round. Find out which of your favorites are temporarily closed, and help us support those still open at this time. Small businesses need you. Let’s help.

Support Local Businesses

During this time, some businesses may be temporarily closed. Buy a gift card now, use it later and provide your favorite businesses with much needed resources to manage through this challenging time.

Do you own a local business that you would like to have listed on the directory? Has your COVID-19 business hours been updated from what is currently listed? Email kakeenan@adelphi.edu for all inquiries regarding the Adelphi COVID-19 Community Business Directory.

PANTHER-OWNED BUSINESSES

The Panther Benefits Program helps to promote local owned businesses, restaurants and attractions to Adelphi students, staff, faculty and alumni. Adelphi is extending an invitation to fellow alumni business owners to promote your business to the Panther community through this program. If you are a Panther and would like more information, please contact kgrant@adelphi.edu.

PANTHER PARTNERSHIP PROGRAM

The Panther Partnership Program offers discounts and incentives at local restaurants, businesses and attractions for Adelphi students, faculty, staff and alumni with a valid ID.

If you own a local business and would like to have your business added to the program, please contact events@adelphi.edu for more information.
